RE: Freedom of Information Act Request

Dear Regional FOIA Officer:

This is a request under the Freedom of Information Act.

I am requesting a copy of any documents containing information regarding the ammonia refrigeration system located at the Beef Products, Inc. operation in Waterloo, Iowa. Specifically, I am requesting any documents that contain information about:

- the design and/or operation of the ammonia refrigeration system; and
- the safety/risk management program filings and records of the ammonia refrigeration system.

In order to help determine my status to assess fees, you should know that I am affiliated with a private corporation and am seeking information for use in the company's business.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in blue ink that reads "Kim Dirks by mf".
